The trade association referenced in the table immediately above states:

[Initial or mark affirmatively all appropriate paragraphs]

- _____ It is an approved industry certification program for each appliance listed in the directory;
- _____ It meets all of the applicable requirements in Section 1606(f) for third party submittals
- _____ It submits to the Executive Director:
1. All of the information in the directory, within three working days of the approval of the directory;
 2. All of the information in the directory that has changed since the previous submittal, at the end of each month during which there has been any change;
 3. A declaration, signed under penalty of perjury of the laws of California, that to the best of the trade association's knowledge and belief:
 - a. The information in the directory is the same as the information submitted by

manufacturers to the trade association;

- b. The information is true, complete, accurate, and in compliance with all applicable provisions of this Article;
- c. Each appliance complies with the applicable standards in Section 1605.1; and
- d. For any appliance for which there is a standard in Section 1605.3, that the appliance meets all applicable standards unless the directory states, in a format approved by the Executive Director (including without limitation font, type size, and placement in the directory), that it is illegal in California to sell the appliance or offer it for sale

_____ It provides listings that include all of the following information for appliances in a trade association directory, where applicable to the appliance:

- 1. Manufacturer
- 2. Brand
- 3. Model number as it appears on the appliance
- 4. Type
- 5. Fuel type
- 6. Voltage
- 7. Electrical phase
- 8. Capacity or other size measurement
- 9. Input
- 10. Output
- 11. Standby consumption, loss, or other similar measurement, and energy efficiency
- 12. Energy consumption, water efficiency, or water consumption;

_____ It provides listings that do not include any appliances not meeting an applicable federal standard and, for appliances that do not have a federal standard but do have a California standard, clearly and distinctly indicate which appliances do not meet an applicable California standard;

_____ It provides verification of manufacturer-submitted data;

_____ It provides an appropriate procedure for program participants to challenge listed information;

_____ It contains the following statement, in at least 20 point bolded type and on the front cover or first page, or in another format or with other characteristics as specified by the Executive Director:

"This directory [insert parts if appropriate] has been approved by the California Energy Commission (Commission) for determining compliance with its appliance efficiency regulations (Title 20, California Code of Regulations, Sections 1601-1608) and its building standards (Title 24, California Code of Regulations, Part 6). UNLESS INDICATED OTHERWISE, any appliance listed in this directory [insert parts if appropriate] may be sold, offered for sale, or installed in new construction in California. For appliances manufactured by manufacturers participating in this directory, but who have not given authorization for data submittal to the Commission, this directory cannot be used for determining compliance. For information about such appliances, appliances that are beyond the scope of this directory, or appliances produced by manufacturers who do not participate in this directory, please contact the Appliance Efficiency Program at: appliances@energy.ca.gov. Manufacturers

not granting authorization for data submittal to the Commission as of the publication date of this directory include [list all affected manufacturers].”

_____ It will provide, within three working days of the approval of the directory, all of the information in the directory that has not previously been provided to the California Energy Commission in a format compatible with the database described in Section 1606(c); and

_____ It will provide, at the end of each month during which there has been any change, all of the information in the directory that has changed since the previous submittal in a format compatible with the database described in Section 1606(c).

I declare under penalty of perjury of the laws of the State of California, that:

All the information in this statement is true, complete, accurate, and in compliance with all applicable provisions of Sections 1601 – 1608 of Title 20 of the California Code of Regulations; and

I am authorized to make this declaration, and to file this application, on behalf of
